Important Notes

- Proof of purchase must be provided in order to make a claim
- It is necessary to inspect the product for imperfections or if it is the correct item before proceeding with the installation process.
- If any defects or damages are found, refrain from installing the product and seek a replacement from your merchant
- By installing the product, the purchaser acknowledges that the product is not defective or damaged

Warranty Conditions

- The warranty period will apply from the date of purchase
- This warranty covers manufacturing defects that have risen from faulty materials or workmanship in the products
- The liability of this warranty is limited to the purchase price of the product. Duraplex Pty Ltd will not be held liable for any damages or injuries to persons or properties, nor any consequential losses or damages
- Claims made under this warranty must be made within the warranty period.
- Duraplex Pty Ltd has the right to examine the products to determine whether any defect is covered by this warranty
- The warranty does not cover any labour cost associated with the repair or replacement of the product unless specified
- This warranty is non-transferrable and applies only the original purchaser
- This warranty is applicable only to products purchased from authorized dealers
- This warranty is applicable only to products purchased and install in Australia
- Products must be installed by a licensed tradesman and installed according to Australian standards and regulations
- Water pressure must be limited to and not exceed 500kpa on any new home or renovation

What is not covered under warranty

- This warranty does not cover damages caused by misuse, abuse, accident, or neglect.
- This warranty does not cover normal wear and tear, including scratches, dents, chips or discolouration that may occur over time
- This warranty does not cover damage caused by the use of harsh chemicals or abrasive cleaning agents or non-recommended cleaning methods or commercial chemicals.
- This warranty does not cover damages or defects resulting from alterations or modifications made by anyone other than the authorized representative
- This warranty does not cover damages or defects resulting from improper storage, mishandling or transportation
- This warranty does not cover products that have been water damaged due to excessive moisture or has been exposed to water
- This warranty does not cover products that have not been installed by a licenced tradesman or installed improper
- This warranty does not cover products that have been damaged due to stress
- This warranty does not cover products that been damaged resulting from environmental factors, including but not limited to, fading, discolouration, or changes in the finish due to exposure to sunlight or moisture
- Claims against vitreous china product faulty dimensions or glazing imperfections (that are permitted within AS1976 - Vitreous china used in sanitary applications). Due to the unique manufacturing process of vitreous china products, a variation of up to 5mm in any surface is allowed and considered acceptable.

How to make a claim

To make a warranty claim, please contact the store from which the product was purchased.

You will need to provide copies of your invoice from the store, invoice from the licensed installer & a detailed description of the defect. Alternatively, if you cannot contact the store from which the product was purchased, you can contact us on 02 4648 1618 or emailing us to service@duraplex.com.au

- If a defect covered by this warranty is found, Duraplex Pty Ltd will, at its sole discretion, either repair or replace the product or part.
- Labour is included where specified
- Duraplex Pty Ltd may opt to replace the defective part only, rather than the entire product.
- Replacement of a defective product under this warranty does not extend the original warranty period.
