H: 60cm

Globe: 2x E27; MAX 60W

PACKAGING & SHIPPING

[BULKY] If items are marked bulky, it indicates an oversized or particularly fragile item. These items can only be shipped via pallet if delivery is outside the Sydney metro area.

FREIGHT CHARGE (SYDNEY METRO)

Free freight applies only to deliveries in the Sydney metro area for orders over \$350exGST. For orders under \$350, a \$15 delivery fee will be applied. We only deliver to business addresses, not residential.

FREIGHT CHARGE (OUTSIDE SYDNEY METRO)

Freight charge will be calculated at the time of despatch and added to the invoice accordingly. If you have a preferred carrier, please let us know when placing your order and we will provide packaging dimensions for you to arrange as you wish.

RETURNS & WARRANTY

Please choose carefully as we do not accept returns due to change of mind or unsuitable colour, size etc. Returns are only accepted for faulty or damaged items provided they are reported to Za Corp within 14 days of receipt of goods. If faults present themselves after this period, we can consider assess them for refund or replacement for 12 months after purchase.

REPLACEMENT PARTS

We do sell shades and bases separately - please contact us to discuss your requirements. If you are in need of a replacement part, please also contact us and we will see if we can assist. Please note we do not keep stock of all parts.

PAYMENT TERMS

Initial orders are placed on a prepaid basis. Once the first proforma invoice has been paid, please let us know if you wish to set up a 30 day trading account. A credit application form must be completed and returned to Za Corp for approval. Once approved, our payment terms are 30 days from EOM.

If your account is not paid within 60 days, no further orders will be supplied until the account is paid. Should outstanding account balances reach 90+ days overdue, the account will be suspended and any further trading will revert to a prepaid basis.

COLOUR VARIATIONS

Please note that actual colours and designs can vary slightly from the photos pictured in our catalogue. Colours can appear very different with the light on as compared to having the light off, and the type of bulb used also affects the colour a great deal when turned on. Colours can also vary from batch to batch, particularly with Tiffany lamps due to the way the glass is cut. Please understand this is out of our control, and often adds to the beauty and unique character of our lamps.

PRICING

Prices are not supplied within this catalogue. Please contact us for a current pricelist if required. Prices quoted do not include delivery charges, GST, insurance or assembly. Due to economic fluctuations, we reserve the right to change our pricing without notice. Please confirm current pricing before placing order.
