Why choose a Fienza Vanity?

HIGH QUALITY DESIGN & CONSTRUCTION

Backing boards and drawer bases are 16 mm thick to ensure strength and quality throughout.

SOFT-CLOSE DOORS & DRAWERS

All Fienza cabinets come with soft-close doors, and most cabinets feature soft-close drawers. This ensures smooth and silent operation and long term durability for your vanity.

FULL EXTENSION DRAWER RUNNERS

Allows access to the full depth of storage space in your cabinet. Drawers can be easily removed for cleaning.

LIKE A CUSTOM-MADE VANITY, WITHOUT THE WAIT

Fienza's universal vanities range allows you to choose from a completely interchangeable range of basin-tops, cabinets, and accents to create a custom-look vanity for your bathroom. With all components in stock across 5 distribution centres in Australia, you can enjoy fast dispatch and delivery without the wait often required for custom-made vanities.

FSC CERTIFIED

Our universal vanity cabinets are sourced from manufacturers that hold Forest Stewardship Council® Certification (FSC). This ensures that the raw materials used in our products are only sourced from sustainable, managed plantation forests.

ECO-FRIENDLY E0 BOARD

Fienza cabinets are manufactured with highly water-resistant, 2-pac medium density fibreboard (MDF). The majority of our cabinet range is made from E0 grade board. E0 has 50% lower formaldehyde emission than the minimum Australian Standard (E1 board), reducing our impact on the environment and ensuring a safe product that can be installed immediately.

All prices are Recommended Retail Prices (RRP) including GST. Prices are subject to change or correction without notification. Consumers should enquire with a retailer for actual pricing. All information is provided on an E&OE basis (Errors and Omissions Excepted). Always check fienza.com.au for the latest, up-to-date product information. Images in this brochure are shown with accessories and/or other furniture which is not included in the price, and such products may not be available within our range.
