DESIGN TRENDS BI61

Retro Pop

This retro, post-modern inspired trend brings a splash of fun and excitement into the home.

A bright and bold colour palette create the light playful feel associated with this trend.

Smooth and glossy finishes are replicated across plastics, glazed ceramics and painted metals to further compliment the product.

Calm

This Scandinavian inspired trend invites calm into the home with organic forms and fresh, unobtrusive character.

A muted colour palette consisting of greys and blues will compliment any product.

Naturally smooth finishes such as cork and light wood add a touch of warmth.

Culture

This culturally inspired trend adds warmth and energy to the home.

A bold colour palette from rich blues to strong yellows are complimented by soft warm greys.

Textured surfaces such as glass, ceramic and wicker create interesting and tactile finishes, ensuring that there is always a new detail to discover.

Modern

This modernist inspired trend evokes a sophisticated air in the home, with a focus on simple forms being elevated with quality materials.

A neutral colour palette is highlighted by warm ambers and contrasting eggplant hues.

Conical shapes, curved edges and fluted textures are complimented with smooth metal finishes for a modern touch.
