Why choose a Fienza Vanity?

HIGH QUALITY DESIGN & CONSTRUCTION

Backing boards and drawer bases are 16 mm thick to ensure strength and quality throughout.

SOFT-CLOSE DOORS & DRAWERS

All Fienza cabinets come with soft-close doors, and most cabinets feature soft-close drawers. This ensures smooth and silent operation and long term durability for your vanity.

FULL EXTENSION DRAWER RUNNERS

Allows access to the full depth of storage space in your cabinet. Drawers can be easily removed for cleaning.

LIKE A CUSTOM-MADE VANITY, WITHOUT THE WAIT

Fienza's universal vanities range allows you to choose from a completely interchangeable range of vanity tops, cabinets, and accents to create a custom-look vanity for your bathroom. With all components in stock across 5 distribution centres in Australia, you can enjoy fast dispatch and delivery without the wait often required for custom-made vanities.

INDUSTRY LEADING WARRANTIES

We are committed to producing high quality durable products that will stand the test of time. We are proud to offer industry leading warranties on our products to give you piece of mind.

FSC CERTIFIED

Our universal vanity cabinets are sourced from manufacturers that hold Forest Stewardship Council® Certification (FSC). This ensures that the raw materials used in our products are only sourced from sustainable, managed plantation forests.

ECO-FRIENDLY E0 BOARD

Fienza cabinets are manufactured with highly water-resistant, 2-pac medium density fibreboard (MDF). The majority of our cabinet range is made from E0 grade board. E0 has 50% lower formaldehyde emission than the minimum Australian Standard (E1 board), reducing our impact on the environment and ensuring a safe product that can be installed immediately.

Solid Surface

VANITY BENCHTOPS

Fienza solid surface vanity tops are made from a blend of durable acrylic resin, aluminium hydroxide and recycled glass to produce a stone-like appearance with a velvet-smooth matte finish.

- 20 mm thick
- Made from velvet-smooth solid surface material (100% silica free)
- Non-porous surface with higher stain resistance than natural stone
- Resistant to heat, chemicals, moisture, chips and cracks
- Hygienic, easy to clean and maintain
- Can easily be repaired if scratched
- Patterns may vary in appearance like natural stone
- Warmer to touch when compared to engineered stone
- Available in full depth (465 mm) and ensuite depth (365 mm)
- Suitable for use with above counter, semi-inset and undermount basins
- Can be installed with any tap hole position
- Up to 5 years warranty (for more details, visit fienza.com.au)

Silica Free Stone

VANITY BENCHTOPS

For safety and peace of mind, select our new silica free stone vanity tops made from a blend of durable acrylic resin and 85% recycled glass. Experience the natural look of stone with a durable high-quality surface.

- 20 mm thick
- Made from smooth silica free* stone (*defined as containing less than 1 % crystalline silica)
- Non-porous surface with higher stain resistance than natural stone
- Resistant to heat, chemicals, moisture, chips and cracks
- Hygienic, easy to clean and maintain
- Patterns may vary in appearance like natural stone
- Available in full depth (465 mm) and ensuite depth (365 mm)
- Suitable for use with above counter, semi-inset and undermount basins
- Can be installed with any tap hole position
- Up to 5 years warranty (for more details, visit fienza.com.au)

Note: Curved top suits MILA and MINKA Curved Vanities only.
